December 2009

Dear Parents,

**Meeting for Upper Sixth Parents and Teaching Staff
Friday, 12th March 2010 at 1.30 pm**

The second Upper Sixth Parents' meetings this year will be held from 1.30 pm on Friday, 12th March 2009, at the start of the second Leave Weekend. The aims of the meeting are to discuss your son's or daughter's academic progress, his or her revision programme and plans after leaving school in the summer.

I will open the meeting by giving a short address to parents and pupils and this will be followed by a brief question and answer session with a panel of teachers.

Holding the Upper Sixth Parents' meeting before the Leave Weekend gives you time and space for any ensuing conversations with your son or daughter. There will be an appointments scheme in operation and all appointments will be in the Hall. Pupils should be in school uniform.

I look forward to seeing you on Friday, 12th March. If you have any queries, please do not hesitate to contact me.

With best wishes,

Yours sincerely,
