EXAMINATION RESULTS 2010

The examination boards are moving to release results electronically. This summer the results process will be different from past years and we expect a complete change to an electronic service only in the future.

A/AS LEVEL RESULTS

Results will be sent out by email to pupils' St Edward's email accounts by 6 am on Thursday, 19th August 2010.

We have taken this decision due to the pressure on university places and the fact that we anticipate there will be very few clearing places at Russell Group and 1994 Group universities. Results for AQA, Edexcel, OCR and WJEC boards will go in one email, and those who took exams with the CIE board, did the Extended Project or an AEA will get a second email.

As usual, a team of staff including the Warden, the Sub-Warden, the Director of Studies, the Senior Tutor, the Head of Higher Education, the Head of Careers and the Examinations Officer will be at School in the Library, to congratulate and to give help and advice from 7am until 11am. Printed results will be available for collection from about 9am. All uncollected envelopes will be posted in the afternoon. Refreshments will be available.
