

HOLIDAY HEALTH REGULATIONS

1. If a pupil has received medical attention or treatment in the holidays please send particulars to the Housemaster or Housemistress and, if appropriate, enclose a note from the doctor concerned.
2. If a pupil has come from abroad or has spent any part of the holiday abroad, please ensure that the Housemaster or Housemistress knows.
3. If vaccination and/or inoculation is required for going abroad during the next holidays, notice should be given to the School Health Centre at the start of term.
4. Parents are particularly requested to arrange for courses of dental treatment to take place during the holidays if at all possible.
5. Please keep the school doctor informed as to whether your offspring is covered by medical insurance and if there is any change from that recorded in the new pupil's medical questionnaire.
6. The House Matron should be informed of any medication brought back to school.
7. If in any doubt about any medical matter, please contact the school doctor, the Housemaster or Housemistress or the School Health Centre (01865 319244).
