

LEAVE WEEKENDS

Given the length and nature of the School's leave weekends very few pupils now ask to stay in the School. Leave weekends provide an excellent opportunity for pupils to recharge their batteries. This is best achieved at home with their parents or guardians. However, pupils can remain in School but we expect them to follow normal School Rules and timings.

Should you wish your son or daughter to remain at School during the Leave Weekend, please complete the form below. If the form is not returned, the School assumes that your son or daughter will be under your care.

I wish my son/daughter of House to stay in School over the leave weekend and agree that he/she will conform to School Rules.
