PARKING/BOATING: 2 car parks are available along the river in Thameside. One is just upstream of the Club and the other is downstream towards the start of the race. There is plenty of parking space and boating area in both locations. Please do not park along the river road itself as this causes massive congestion. Please do not use the small car park directly in front of the Club as this is reserved for safety crews and officials.

CHANGING: Facilities will be available at Burway Rowing Club

REFRESHMENTS: Food and hot/cold drinks are be available from Burway Rowing Club throughout the day and the bar will be open from 11am.

RESULTS: Interim results of each division will be posted at Burway Rowing Club as soon as possible after the end of each race. Prizes will be awarded at the Clubhouse as soon as possible after the final race of the day. A full set of results will be sent to each competing club and will be accessible on our website.
