

Directions to Wallingford

Driving

Go first to Crowmarsh

From Oxford:

- Approach Wallingford via the A4074 from Oxford.
- At Shillingford, continue towards Henley (not towards Wallingford) and Crowmarsh Gifford.
- Follow the road until you reach the roundabout signposted for Crowmarsh and follow this road into Crowmarsh.

From Reading:

- Take the A4074 road until you reach a roundabout just after Carmel College.
- Head towards Crowmarsh Gifford (do not take the A4130 By-pass to Wallingford).
- At the next roundabout sign-posted Crowmarsh and Wallingford turn left and follow this road into Crowmarsh.

From Henley:

- Follow directions to Oxford (A4130) out of Henley. When you reach the Crowmarsh/Wallingford roundabout head into Crowmarsh.

Once in Crowmarsh

To reach the clubhouse:

- Go over Wallingford Bridge and take the first turning on the left immediately after Stoney's Restaurant (now the Wallingford Tandoori).
- Follow this road for about 300m and Wallingford Rowing Club is on your left.
- There is a car park immediately opposite the club which can be reached by following the road round to the right and taking the first right turn into the car park.

Boating and Parking for the Head

Boating:

- Boating is provided from the car park on the Crowmarsh side of the Thames Bridge.
- Space is very limited, so boat trailers and cars with sculls only please.
- When approaching from Crowmarsh proceed straight ahead at the small roundabout, and then turn right at the traffic lights on the bridge.

Visitor Parking:

- By all means use the public car parks in the town, but these fill up quickly, especially on Saturdays.
- We try to make arrangements with the South Oxford District Council to use their car parks in Crowmarsh.
- Check your entry confirmation, and if the SODC car park is available, please use it.

SODC:

- When in Crowmarsh, there is a small roundabout before you reach the Thames Bridge. Turn right here, and the SODC offices are about 200 metres on the left hand side.

Refreshments:

Are available in the boating area until racing has finished. The bar at Wallingford RC will also be open from mid-day.

Toilets and showers:

There are toilets in the boating area. Toilets and changing facilities are at Wallingford RC.

Results:

Provisional results will be available at Wallingford RC about 60 minutes after the last crew has crossed the finish line. Results will be posted on the event's website after the event.

Prize-giving:

Prizes are presented at Wallingford RC.
