

BURSARIES

a) Financial Support in addition to Scholarships and Awards

All Scholarships and Awards, both for entrants at 13+ (into Year 9), and 16+ (into Year 12) have a maximum value of 10% of current fees (day or boarding, as appropriate) with the possibility of a means tested increase of up to a total of 100% of the fees.

b) Widening Access Bursaries

For candidates who are not of scholarship or award calibre, but meet our entry requirements, St Edward's has financial provision designed to widen access to the School to enable pupils to come who would not otherwise do so. Three such bursaries are currently available each year – two to entrants at 13+ (into Year 9), and one to an entrant at 16+ (into Year 12). These bursaries are subject to a detailed means test and worth up to 100% fee reduction.

The best time to apply for these bursaries is 24 months before the September of entry to the School at 13+, and 12 months in advance of 16+.

13+ applications will be processed in the March (18 months prior to entry), and 16+ applications in the October (11 months prior to entry). If you wish to make an application, please contact the School's Registrar on registrar@stedwards.oxon.sch.uk.
